

*The Cootamundra Development Corporation  
Wish to extend an invitation to attend the  
2018 Annual Cootamundra Wattle Time Fair*

Saturday, 25th August 2018  
to be held in Fisher Park, Cootamundra 9am to 4pm

Street Parade at 12noon, everyone invited to celebrate the festivities at the Wattle Time Fair

**The Cootamundra Development Corporation (CDC) is again holding a one day Wattle Time Fair to celebrate the iconic Cootamundra Wattle, which is just one of the many attributes our regional country town is renown for.**

**The Fair is set to incorporate all things home, garden, lifestyle and leisure. Cootamundra is located in the South West Slopes of NSW and is infamously known as the Birthplace of the late Sir Donald Bradman the legendary cricketer.**

**Cootamundra is a highly regarded agricultural area with a Shire population of 8,000 people and is approximately halfway by rail between Sydney and Melbourne. Cootamundra is also known for its friendliness and small town community spirit with the people of Cootamundra always coming together to celebrate major community events held throughout the year.**

**The CDC is proud to say this year marks the sixth annual Wattle Time Fair in Cootamundra since this popular event was revamped in 2012.**

**The Wattle Time Fair continues to grow in popularity with organisers hopeful the event will grow as it was in its former glory in the late 1980's.**

**Last year's Wattle Time Fair was a wonderful success with more than 5,000 visitors making the most of the day and the beautiful weather.**

**The Fair is an event for the whole family and a day packed with lots to see and do including over 80 catering, marquee, market stalls, there is plenty for the kids to see and do such as the Lions jumping castle, face painting, pony rides and large scale amusements as well as entertainment throughout the day.**

**A large crowd also lined the street to watch the Community Street Parade (12noon) as it made its way down Parker Street and the floats were amazing and a credit to the local businesses, schools and organisations who took part with the crowd then proceeding to the park to enjoy the family, fun filled setting.**
